WHY NAVERO

01

Channel-neutral

No proprietary retail expansion in your target market.

02

Flexible engineering

Appearance, branding, powertrain, seating and packaging options.

03

Export-ready execution

Samples in 2–3 days; typical production in 20–25 days.

01 / URBAN MOBILITY

Compact form. Everyday confidence.

URBAN COMPACT

X3S

Compact Passenger Tricycle

**MOTOR**

600 W differential motor

CONTROLLER

12-tube controller

TIRES

300-8 tubeless tires

BRAKES

110 mm front / 130 mm rear drum brakes

FRONT END

Hydraulic-style fork · Digital display

VEHICLE SIZE

155 × 74 × 102 cm

PACKING SIZE

135 × 72 × 64 cm

NET WEIGHT

75 kg

Standard configuration shown · OEM options available

URBAN COMFORT

V1

Integrated-Seat Tricycle

**MOTOR**

600 W differential motor

CONTROLLER

12-tube controller

TIRES

300-8 tubeless tires

BRAKES

110 mm front / 130 mm rear drum brakes

FRONT END

Hydraulic fork · Digital display

VEHICLE SIZE

165 × 72 × 102 cm

PACKING SIZE

145 × 70 × 78 cm

NET WEIGHT

64 kg

Standard configuration shown · OEM options available

02 / CARGO MOBILITY

Purpose-built capacity for daily work.

CARGO ESSENTIAL

XD

Compact Cargo Tricycle

**MOTOR**

600 W differential motor

CONTROLLER

12-tube controller

TIRES

300-8 tubeless tires

BRAKES

110 mm front / 130 mm rear drum brakes

FRONT END

Hydraulic-style fork · Digital display

VEHICLE SIZE

205 × 73 × 102 cm

PACKING SIZE

180 × 72 × 64 cm

NET WEIGHT

88 kg

Standard configuration shown · OEM options available

CARGO PLUS

XDL

Extended Cargo Tricycle

**MOTOR**

650 W differential motor

CONTROLLER

12-tube controller

TIRES

300-10 tubeless tires

BRAKES

110 mm front / 130 mm rear drum brakes

FRONT END

Hydraulic fork · Digital display

VEHICLE SIZE

205 × 75 × 102 cm

PACKING SIZE

182 × 72 × 64 cm

NET WEIGHT

93 kg

Standard configuration shown · OEM options available

03 / UTILITY & PASSENGER

More room. More ways to move.

HEAVY UTILITY

T6

Utility Cargo Tricycle

**MOTOR**

800 W differential motor

CONTROLLER

15-tube controller

TIRES

300-10 tubeless tires

BRAKES

110 mm front / 130 mm rear drum brakes

FRONT END

Hydraulic fork · Digital display

VEHICLE SIZE

235 × 90 × 110 cm

PACKING SIZE

210 × 87 × 80 cm

NET WEIGHT

113 kg

Standard configuration shown · OEM options available

MULTI-PASSENGER

H8

Double-Row Passenger Tricycle

**MOTOR**

600 W differential motor

CONTROLLER

12-tube controller

TIRES

300-8 tubeless tires

BRAKES

110 mm front / 130 mm rear drum brakes

FRONT END

Hydraulic fork · Digital display

VEHICLE SIZE

150 × 80 × 102 cm

PACKING SIZE

160 × 78 × 64 cm

NET WEIGHT

90 kg

Standard configuration shown · OEM options available

04 / PASSENGER PLATFORMS

Comfortable mobility at a larger scale.

LARGE FORMAT

C19

Large Double-Row Passenger Tricycle

**MOTOR**

650 W differential motor

CONTROLLER

12-tube controller

TIRES

300-10 tubeless tires

BRAKES

110 mm front / 130 mm rear drum brakes

FRONT END

Hydraulic fork · Digital display

VEHICLE SIZE

235 × 100 × 114 cm

PACKING SIZE

200 × 105 × 90 cm

NET WEIGHT

108 kg

Standard configuration shown · OEM options available

WEATHER READY

CQ

Semi-Canopy Passenger Tricycle

**MOTOR**

800 W differential motor

CONTROLLER

15-tube controller

TIRES

300-10 tubeless tires

BRAKES

110 mm front / 130 mm rear drum brakes

FRONT END

Hydraulic fork · Digital display

VEHICLE SIZE

220 × 97 × 170 cm

PACKING SIZE

185 × 95 × 85 cm

Standard configuration shown · OEM options available

05 / WEATHER PROTECTION

Covered comfort for changing conditions.

WEATHER READY

XH

Semi-Canopy Passenger Tricycle

**MOTOR**

800 W differential motor

CONTROLLER

15-tube controller

TIRES

300-10 tubeless tires

BRAKES

110 mm front / 130 mm rear drum brakes

FRONT END

Hydraulic fork · Digital display

VEHICLE SIZE

200 × 85 × 165 cm

PACKING SIZE

195 × 90 × 90 cm

NET WEIGHT

117 kg

Standard configuration shown · OEM options available

PREMIUM SHELTER

A8

Enclosed Semi-Canopy Tricycle

**MOTOR**

800 W differential motor

CONTROLLER

15-tube controller

TIRES

300-10 tubeless tires

BRAKES
